# Pajama Drive for Foster Children Across Pennsylvania

Now - May 17 from 9 am - 5 pm

**PAJAMA DRIVE 2019**  
for Foster Children  
across Pennsylvania

**DONATE HERE!**  
We are a designated collection site.

Many times, children are removed in the middle of the night and placed into foster care with little or no clothing. Foster families are often unsure what age or size a child arriving into theirs will be, so it is difficult to plan ahead.

This April, during Child Abuse Prevention Month, consider offering some *warm and cozy comfort* to a child while they endure a difficult time.

Pajamas will remain in the county where they are donated, at the Children and Youth agency.

*Thank you for helping foster children!*

Last year, **over 3500 pajamas** were collected & distributed; a total of **13 counties** participated to receive donations.

- The average age of a foster child in PA is 10 years old.
- There are slightly more boys, than girls, in foster care.
- Pajamas for ages infant to 21 years are needed.
- There are approximately 15,000 children in temporary foster care.

My office will be collecting for a Pajama Drive for Foster Children through May 17th.

Many times, children are removed in the middle of the night and placed into foster care with little or no clothing. Foster families are often unsure what age or size a child arriving into theirs will be, so it is difficult to plan ahead.

Pajamas will be distributed to county Children and Youth agencies in need across Pennsylvania.

Please consider donating & help a child feel a little more comfortable during a difficult & scary time.

We thank you in advance for your support.

Your donations can be dropped at my office located at 338 Main Street, Royersford, Pa.
