Your vote, your voice: Make your ballot count!

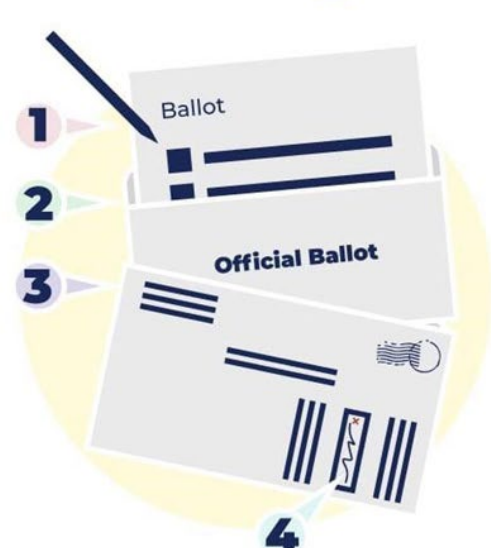

While many of you have received your ballot there are still a number of people who are still anxiously waiting. As soon as you receive your ballot, read the instructions provided to properly mark, seal, and sign it. At this point, it is highly recommended that you return your ballot **in-person** via drop box as soon as possible. Click [here](#) for a comprehensive list of drop-off locations listed by County.

Community Conservation Grants for SD44

The Pennsylvania Department of Conservation and Natural Resources announced the 2020 Community Conservation Partnerships Program (C2P2) grants, including \$754,200 for two projects in District 44:

- Royersford Borough: \$428,000 the continued development of the Schuylkill River Trail in Montgomery County. The restoration of the Royersford trestle bridge will help promote pedestrian traffic between the [#TwinBoroughs](#), and will expand opportunities for our small business community. Let's not forget the hard work and vision of the Borough Council that has made the revitalization of Royersford Borough a reality.
- Worcester Township: \$326,200, for the development of the Zacharias Creek Trail in Montgomery County. The extension will take the trail all the way from Anders Road to Evansburg State Park. The funding will also allow the township to construct a new bridge, ADA access, landscaping, signage, and other related improvements.

Funding for our parks and recreation is vital now more than ever.

Concerning COVID Resurgence in PA

[New numbers released by Pennsylvania](#) health officials paint a concerning picture of the fall resurgence in coronavirus. The Department of Health reports that we have seen more than 1,000 cases a day for the past nine days, bringing the statewide total above 177,000.

Pennsylvanians play a critical role in helping to reduce the spread of COVID-19:

- Wash your hands with soap and water for at least 20 seconds or use hand sanitizer if soap and water are not available.
- Cover any coughs or sneezes with your elbow, not your hands.
- Clean surfaces frequently.
- Stay home to avoid spreading COVID-19, especially if you are unwell.
- If you must go out, you are required to wear a mask when in a business or where it is difficult to maintain proper social distancing.

Download the COVID Alert PA app and make your phone part of the fight. The free app can be found in the [Google Play Store](#) and the [Apple App Store](#) by searching for "covid alert pa".

In the District: Trunk-or-Treat Pumpkin Distribution

My team and I participated in the Upper Providence Township Spooktacular Trunk-or-Treat event this past Saturday.

Our office handed out pumpkins and goodie bags to all of the trunk-or-treaters from around the area that stopped by! It was great to see everyone and I hope to see some creative jack-o-lanterns from the pumpkins that were handed out. A special thank you to John and Gavin Caroff of the Montgomery County Farm Bureau for picking the pumpkins and delivering them to the event.
