Dear Residents of SD-44:

The USPS recently said that they cannot guarantee that a ballot mailed after 10/27 will be received in time to comply with state guidelines. If you have received your mail in ballot and have not yet returned it, then I am urging you to [take your completed ballot](#) to a drop box, satellite voting center, or county voter services office.

This as you know is a pivotal election for the Commonwealth and our Nation. I want to be sure that your voice is heard and that your ballot is received and counted. Drop box locations and satellite voting centers are secure and you should receive an email notifying you that your ballot has been received a few days after returning it.

As always, if you have any questions please do not hesitate to reach out to [my office](#), or contact your counties voter services office via the links below:

- [Montgomery County](#)
- [Berks County](#)
- [Chester County](#)

I hope that you and your family are staying safe and healthy. If there is anything that my office and I can do for you, please reach out as I know that these are difficult times and many of us are faced with a number of uncertainties. My team and I can be reached at senatormuth@pasenate.com, or via phone at 610-792-2137. Have a wonderful weekend!

Sincerely,

Senator Katie Muth
