

# GREY MACHINES GONE WILD

Jeff Morris  
Vice President  
Public Affairs & Government Relations

August 23, 2023

**GREY MACHINES AND SO-CALLED  
“SKILL MACHINES” ARE AN  
UNREGULATED, UNMITIGATED DISASTER**

# THE MACHINES ARE EVERYWHERE AND CONTINUE TO MULTIPLY

“

CHILDREN ARE AT RISK  
ACROSS THE  
COMMONWEALTH

# ZERO PROTECTIONS FOR ANYONE

- **NO** Responsible Gaming Protocols
- **NO** Know Your Customer Guardrails
- **NO** Self Excluded Patron/Compulsive Gambling Disorders Policies
- **NO** Underage Protections

**WITH NO ACTION, THE  
OPERATORS ARE GETTING  
MORE BRAZEN IN THEIR  
EFFORTS TO EXPAND**

“

**A COORDINATED EFFORT TO END  
THE PROLIFERATION OF THESE  
GAMES IS ESSENTIAL**

# LEGISLATURES MUST ACT TO EXPLICITLY BAN THESE MACHINES

**Gov. Andy Beshear signs ban on gaming machines in Kentucky into law**

# THE POLITICAL RISK OF INACTION IS INCREASING

- 58% of Missouri primary voters oppose machines in gas stations, bars and convenience stores
- 65+ voters oppose them by 70%

## ST. LOUIS POST-DISPATCH

**Editorial: Plaintiffs are confronting illegal gambling because Missouri politicians refuse to**

# REGULATORS

Educate about the risk to SEPs,  
underage gambling, and  
integrity of gaming their  
respective jurisdiction

Regulated gaming provides player protection, fosters stakeholder integrity, combats illegal activity, and generates much needed revenue for state funded programs.

REGULATED GAMING MACHINES		ILLEGAL & UNREGULATED GAMING MACHINES
	<b>RESPONSIBLE GAMING</b> Responsible gaming programs that prevent minors from wagering, encourage consumers to play responsibly, and provide awareness of services available for problem gambling assistance.	
	<b>LICENSING AND BACKGROUND INVESTIGATIONS</b> Licensing and background investigations of business entities, corporate officers, and key employees.	
	<b>CONSUMER PROTECTION</b> Regulatory authority that will resolve consumer concerns and reinforce game play fairness.	
	<b>GAME TESTING</b> Rigorous internal controls and independent laboratory testing of gaming machines.	
	<b>SECURE GAMING EQUIPMENT</b> Operators support the security of machines through a regulatory shipping notification and control process for shipments into a state, out-of-state, and intrastate.	
	<b>ANTI-MONEY LAUNDERING PROTOCOLS</b> Federal anti-money laundering compliance including currency transaction reporting and suspicious transaction reporting to prevent funds from supporting illicit or unlawful activity.	

# LAW ENFORCEMENT – CRACK DOWN ON ILLEGAL ACTIVITY

**Under a Missouri law dating to 1951, any device used for illegal gambling is forfeited to the state and destroyed publicly.**
